Hi Mike,

I have been looking for a copy of the letter that you sent me around Sept 23, 2010 in response to my letter of Aug 12, 2010. If you could send me a .pdf of that letter, I would be very appreciative. I did find your 9/13/10 email sending the spreadsheet with the MW – 25, IRM-MW -1, IRM MW-2 and IRM MW-3 data. Please let me know if you can send me a copy of the letter and any other attachments.

Many thanks.

Carolyn
